

It is with deep sadness that we learned of the passing of James Hogan, CEO of the Asia Pacific Loan Market Association (APLMA). James was not only a highly respected leader in the industry but also a dear colleague and friend to many, including our CEO, Scott McMunn, and the wider LMA team.

James' dedication, integrity, and leadership left an enduring mark on the global loan markets, and his contributions will not be forgotten. We at the LMA were privileged to work closely with him over the last year, and we will greatly miss his wisdom and commitment to the industry.

The APLMA Global Loan Market Summit this week will be a fitting tribute to James and his legacy.

Our heartfelt condolences go out to James' family, friends, and colleagues during this difficult time. His impact and presence will be deeply missed by all who had the privilege of knowing him.
