If none of the funded portion of the Purchased Assets is denominated in the same currency as either:

(a) the base currency of any unfunded portion of the Purchased Assets as of the Settlement Date; or

(b) any Non-Recurring Fees received by the Seller on or before the Settlement Date to which the Buyer is entitled pursuant to the Agreed Terms,

d) any obligation of the Buyer, in whole or in part, to disgorge or reimburse any party or entity for, payments or property received, effected by or applied by the Buyer or the Seller for the account of the Seller or any of its Predecessors-in-Title under or in connection with the Purchased Assets or Purchased Obligations (save in the case of an obligation of the Buyer, where such obligation arose from a breach of the Buyer Warranties).

23.2 **Buyer's Indemnity**

The Buyer shall indemnify, defend and hold the Seller and its respective officers, directors, employees and agents harmless from and against any liability, claim, cost, loss, damage or expense (including, without limitation, reasonable legal fees and disbursements and VAT thereon) or judgments which they (or any of them) incur or suffer as a result of:

(a) the Buyer's breach of any of the provisions of the Agreed Terms or the Transaction Documentation unless the Seller has been compensated pursuant to paragraph (k) of Condition 23.3 (**Buy-in/Sell-out**) in respect of such breach; or

(b) the breach of the Buyer Warranties by the Buyer; or

(c) the failure by the Buyer to perform any of the Purchased Obligations from the Settlement Date; or

(d) any obligation of the Seller, in whole or part, to disgorge or reimburse any party or entity for, payments or property received, effected by or applied by the Seller or the Buyer for the account of the Buyer under or in connection with the Purchased Assets or Purchased Obligations (save in the case of an obligation of the Seller, where such obligation arose from a breach of the warranties of the Seller under the Credit Agreement or the Seller Warranties or from a corresponding breach by any Predecessor-in-Title).

23.3 **Buy-in/Sell-out**

(a) Unless the Agreed Terms specify that Buy-in/Sell-out damages do not apply to this transaction, if this is a Par Trade and if paragraphs (e)(v) and (vi) of Condition 23.3 (**Buy-in/Sell-out**) and Condition 31 (**Third Party Rights**) of the LMA Standard Terms and Conditions for Par and Distressed Trade Transactions (Bank Debt/Claims) are incorporated into the transaction in identical terms, this Condition 23.3 shall apply to the transaction.

(b) If the transaction is not settled on or before the date that is 60 Business Days after the Trade Date (the "Trigger Date") because either party fails to perform its Settlement Delivery Obligations to the other party on or before the Trigger Date, subject to paragraph (i)(i) of this Condition 23.3, the other party (the "non-defaulting party") may, at any time thereafter, give written notice (the "Buy in/Sell out Notice") to that party (the "defaulting party") of its intention...
to terminate its obligations in respect of the transaction and to effect a Substitute Transaction in respect of the Traded Portion. The Buy-in/Sell-out Notice shall be substantially in the form published by the LMA as at the Trade Date. The defaulting party shall promptly acknowledge receipt of the Buy-in/Sell-out Notice but a failure to do so shall not affect the validity or effectiveness of such Buy-in/Sell-out Notice.

(c) If, within 15 Business Days of the date that delivery of the Buy-in/Sell-out Notice becomes effective (the "Cure Period") the defaulting party has performed its Settlement Delivery Obligations or, if the Seller is the defaulting party, the defaulting party has performed its Upstream Obligations, the Buy-in/Sell-out Notice shall be automatically cancelled and of no further effect.

(d) If the defaulting party has not performed its Settlement Delivery Obligations, or, if applicable, its Upstream Obligations on or before the last day of the Cure Period:

(i) the non-defaulting party shall use reasonable endeavours to identify a substitute counterparty to enter into a Substitute Transaction; and

(ii) if the non-defaulting party identifies a substitute counterparty acceptable to the non-defaulting party in its sole discretion, the Substitute Transaction shall be entered into with such counterparty on the Substitute Trade Date.

(e) The non-defaulting party shall send to the defaulting party not later than the first Business Day after the date of signing of the Substitute Confirmation by the parties to it, notice (the "Purchase Price Notice") of the purchase price payable under the Substitute Transaction.

(ii) If the defaulting party disputes the reasonableness of the purchase price specified in the Purchase Price Notice the defaulting party shall send notice of such dispute (the "Price Dispute Notice") which shall be substantially in the form published by the LMA as at the date of the Price Dispute Notice to the non-defaulting party and to the LMA Pricing Panel not later than the second Business Day after the date on which delivery of the Purchase Price Notice becomes effective in accordance with Condition 32 (Notices).

(iii) The LMA Pricing Panel shall determine the purchase price for the Substitute Transaction using the Pricing Panel Methodology published by the LMA at the time of determination and such amount will be the Indicative Price for the purposes of paragraphs (j) and (k) of this Condition 23.3 (Buy-in/Sell-out).

(iv) Any determination by the LMA Pricing Panel shall, in the absence of manifest error, be conclusive and binding on all parties.
(v) No Specified Person shall be liable, whether for negligence or otherwise to the Buyer or the Seller for any form of damages whether direct, indirect, special, consequential or otherwise, that might arise in connection with such Specified Person's performance of its roles and duties under the Pricing Panel Methodology except in the case of fraud or wilful misconduct on the part of such Specified Person.

(vi) Each of the Buyer and the Seller agrees to waive any claim, whether for negligence or otherwise, that may arise against a Specified Person in connection with such Specified Person's performance of its roles and duties under the Pricing Panel Methodology, except in the case of fraud or wilful misconduct on the part of such Specified Person.

(f) If the Substitute Confirmation has not been signed by the parties thereto on or before the fifteenth Business Day following the end of the Cure Period:

(i) the non-defaulting party may not send any further Buy-in/Sell-out Notices or effect any further Substitute Transaction in connection with the transaction without the defaulting party's prior written consent;

(ii) the non-defaulting party shall promptly give notice to the defaulting party of such failure; and

(iii) the Seller and the Buyer shall consider in good faith whether or not there is a means, acceptable to both parties, of implementing the transaction.

(g) The Seller shall not exercise any rights of a non-defaulting party under this Condition 23.3 (Buy-in/Sell-out) unless on the date that delivery by the Seller of a Buy-in/Sell-out Notice becomes effective, the Seller owns beneficially all of the Purchased Assets on such date.

(h) If the Buyer as non-defaulting party serves a Buy-in/Sell-out Notice on the Seller, and as at the date on which delivery of such Buy-in/Sell-out Notice becomes effective, the Seller does not own beneficially all of the Purchased Assets, then, subject to paragraph (i)(iii) of this Condition 23.3 (Buy-in/Sell-out), the Buyer as non-defaulting party shall not be entitled to exercise any further rights under this Condition 23.3 (Buy-in/Sell-out) if the Seller:

(i) delivers to the Buyer within the Cure Period either:

(A) a copy of a trade confirmation or trade confirmations (with the identity of its counterparty, purchase rate and other pricing arrangements erased) executed by the Seller and its counterparty or counterparties evidencing an Upstream Trade; or

(B) other evidence which reasonably demonstrates that the Seller has entered into an Upstream Trade

(in each case, the "Upstream Evidence");
(ii) certifies in writing to the Buyer at the same time as delivery of the Upstream Evidence that:

(A) to the extent of the Purchased Assets, evidence of the Upstream Trade has not been delivered and will not be delivered to satisfy its obligations analogous to its Upstream Obligations under another transaction;

(B) it has performed or will perform by the time required under the Upstream Trade all obligations thereunder equivalent to its Settlement Delivery Obligations;

(C) it has delivered or will deliver to its counterparty or, as the case may be, counterparties under the Upstream Trade within the Cure Period a notice equivalent to the Buy-in/Sell-out Notice in order to commence against such counterparty or, as the case may be, counterparties the exercise of rights as a non-defaulting party equivalent to those under this Condition 23.3 (Buy-in/Sell-out);

(iii) uses its reasonable endeavours to exercise its rights as a non-defaulting party promptly under the terms of the Upstream Trade prior to the end of the period analogous to the Cure Period hereunder in respect of that Upstream Trade; and

(iv) promptly after a request from the Buyer, provides written certification or other evidence that it has performed its obligations under paragraph (h) of this Condition 23.3 and has exercised its rights analogous to those contained in this Condition 23.3 (Buy-in/Sell-out) as a non-defaulting party under the Upstream Trade.

(i)

(i) There shall be no failure by either party to perform its Settlement Delivery Obligations if the transaction settles on the basis of an alternative structure or arrangement mutually acceptable to the Seller and the Buyer that provides the Seller and the Buyer with the economic equivalent of the agreed-upon trade (including, for the avoidance of doubt, cash settlement) pursuant to Condition 6 (Mandatory settlement obligations).

(ii) If the party responsible for preparing the Form of Purchase pursuant to the Agreed Terms fails to do so on or before the date falling 2 Business Days before the Trigger Date, and after such date but before the Trigger Date the other party has sent written notice to such party that it is ready, willing and able to sign the Form of Purchase for the purposes of settling the transaction, then the party serving such written notice shall be deemed to be a non-defaulting party for the purposes of this Condition 23.3 (Buy-in/Sell-out) and to have satisfied its Settlement Delivery Obligations and entitled to exercise its rights as a non-defaulting party under this Condition 23.3 (Buy-in/Sell-out).
(iii) No exercise of rights under this Condition 23.3 (Buy-in/Sell-out) shall preclude the exercise of any other right or remedy provided by law or hereunder until completion of the Substitute Transaction or other settlement of the transaction in a manner acceptable to the Buyer and the Seller.

(iv) The non-defaulting party may exercise, but shall be under no obligation to exercise, its rights under this Condition 23.3 (Buy-in/Sell-out), and in so exercising such rights the non-defaulting party need not establish that it acted in good faith or engaged in commercially reasonable behaviour prior to its performing its Settlement Delivery Obligations in the time and manner described above. The exercise of any rights by the non-defaulting party under this Condition 23.3 (Buy-in/Sell-out) shall not be subject to any defense of the defaulting party having acted in good faith or having engaged in commercially reasonable behaviour provided the non-defaulting party has performed its Settlement Delivery Obligations in the time and manner described above.

(v) If neither party performs its Settlement Delivery Obligations in the time and manner described above then there is no "non-defaulting party".

(j) If the Seller is the defaulting party, the Seller shall pay to the Buyer on the Substitute Settlement Date as follows:

(i) if no Price Dispute Notice was issued in relation to the Substitute Transaction, the amount (if any) by which the price in respect of the Buy-in Transaction exceeds the original price for the Traded Portion; or

(ii) if a Price Dispute Notice was issued in relation to the Buy-in Transaction the amount (if any) by which the Indicative Price in respect of the Buy-in Transaction exceeds the original price for the Traded Portion,

provided that if the calculation results in a negative amount, the Buyer shall pay to the Seller the absolute value of that amount.

The Seller shall in addition pay an amount equal to (a) Buy-in Compensation for each day from (and including) the date that delivery of the Buy-in/Sell-out Notice becomes effective to (but excluding) the earlier of:

(i) actual settlement of the Buy-in Transaction; and

(ii) 10 Business Days following the Substitute Trade Date; and

(b) If PIK Interest applies to all or any part of the Purchased Assets under the Credit Agreement during the period referred to above and the Sell-out Costs of Carry calculation for that period results in a negative amount, the absolute value of that amount.
If the Buyer is the defaulting party, the Buyer shall pay to the Seller on the Substitute Settlement Date as follows:

(i) if no Price Dispute Notice was issued in relation to the Substitute Transaction the amount (if any) by which the price in respect of the Sell-out Transaction is less than the original price for the Traded Portion; or

(ii) if a Price Dispute Notice was issued in relation to the Sell-out Transaction the amount (if any) by which the Indicative Price in respect of the Sell-out Transaction is less than the original price for the Traded Portion,

provided that if the calculation results in a negative amount, the Seller shall pay to the Buyer the absolute value of that amount.

If PIK Interest applies to all or any part of the Purchased Assets under the Credit Agreement during the period referred to below, then in such case the Buyer shall in addition pay an amount equal to Sell-out Costs of Carry (if any) for each day from (and including) the date that delivery of the Buy-in/Sell-out Notice becomes effective to (but excluding) the earlier of:

(i) actual settlement of the Sell-in Transaction; and

(ii) 10 Business Days following the Substitute Trade Date.

The obligations of the parties in respect of the transaction shall be terminated once all amounts have been paid under paragraph (j) or, as the case may be, (k) of this Condition 23.3 (Buy-in/Sell-out).

24. CONTINUING OBLIGATION

(a) Each indemnity in the Agreed Terms is a continuing obligation, separate and independent from the other obligations of the parties and survives termination of the transaction and it is not necessary for a party to incur expense or make payment before enforcing a right of indemnity conferred by the Agreed Terms.

(b) No party to the Agreed Terms shall be obliged to indemnify any other party to the Agreed Terms if the loss of the indemnified party is due to the negligence or wilful misconduct of such other party.

25. CONFIDENTIALITY

(a) Both parties shall maintain the confidentiality of the terms of the transaction and the Transaction Documentation unless otherwise required by law or regulation. Each of the Seller and the Buyer shall be permitted to make any necessary disclosures:

(i) to members of its respective Group;

(ii) to its or their professional advisers and auditors regarding the terms of the transaction;
(iii) in connection with the perfection or enforcement of a party's rights and obligations under the Agreed Terms and the Transaction Documentation; and

(iv) to any person appointed by that party to provide administration or settlement services in respect of the Agreed Terms, any Transaction Document or the transaction,

subject, in each case, to the same confidentiality constraints.

(b) The Buyer shall additionally be permitted to make any necessary disclosures to prospective purchasers from the Buyer regarding the terms of the transaction (other than the identity of the counterparty, Purchase Rate or other pricing arrangements) subject to the requirements of law or regulation or of the Credit Documentation and to the same confidentiality constraints set out in this Condition 25.

(c) If there is any inconsistency between this Condition and any Confidentiality Agreement, the terms of that Confidentiality Agreement shall prevail.

26. BINDING AMENDMENT AND DEBT RESTRUCTURING

26.1 Risk
The Buyer will bear the risk of any Binding Amendment and Debt Restructuring in relation to the Purchased Assets and Purchased Obligations.

26.2 Blocked Payments
The Seller shall not be obliged to make any payment to the Buyer under the Agreed Terms in respect of any sum which is required to be used for a specific purpose pursuant to a Binding Amendment and Debt Restructuring.

26.3 Other Instruments
The Seller may, in connection with any Binding Amendment and Debt Restructuring, apply for or accept any Non-Cash Distributions issued or proposed to be issued by an Obligor or any other person.

26.4 Rescheduling Agreement
Subject as provided herein, the Seller may participate in any agreement in connection with a Binding Amendment and Debt Restructuring and which relates to any payment in respect of the Traded Portion or any part thereof. The Seller shall give to the Buyer the benefit of the agreement on the same terms (mutatis mutandis) as the Agreed Terms to the extent that such agreement in the Seller's reasonable opinion, relates to the Traded Portion.

27. SET-OFF
Either party may (but is not obliged to) set off any amount due and payable by the other party under the transaction against any such amounts due and payable by it to the other party thereunder. If the obligations are in different currencies, the party exercising its rights under this provision may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set off.
28. **FURTHER ASSURANCE**

Each of the parties agrees, at its own expense, to take any further action and to execute any further documents and/or instruments as the other may reasonably request to give effect to the transaction.

29. **TAX AND WITHHOLDING**

29.1 **Tax**

The Buyer acknowledges that it is responsible for making its own independent tax analysis of the Credit Documentation and the transaction.

29.2 **Free and clear payments**

Subject to Condition 29.3 (Net payments) and Condition 29.4 (FATCA withholding) and unless otherwise agreed in any Transaction Document, all payments made under these Conditions and the Transaction Documentation shall be made free and clear of any deduction or withholding save for such deduction or withholding as may be required to be made from such payments by any law, regulation or practice. If any such deduction or withholding is made or is required to be made, the payer shall increase the amount to be paid to the payee to ensure that the payee receives and retains a sum equal to the sum which it would have received and retained had no such deduction or withholding been made or required to be made.

29.3 **Net payments**

Unless otherwise agreed in any Transaction Document, all payments of or in respect of interest or fees received under the Credit Documentation (or of amounts equal to such interest or fees) made under these Conditions and the Transaction Documentation shall be made net of any deduction or withholding required to be made from such payments by any law, regulation or practice. If any such deduction or withholding is required to be made, the payer shall pay the full amount required to be deducted or withheld to the relevant taxation or other authority within the time allowed for such payment under applicable law and then deliver to the payee within thirty days after it has made such payment to the applicable authority, an original receipt (or certified copy thereof) issued by such authority evidencing the payment to such authority of all amounts required to be deducted or withheld in respect of such payment. The payee shall bear the risk of such deduction or withholding and the obligation of the payer to pay an amount net of such deduction or withholding and to account to the relevant taxation or other authority for the amount of such deduction or withholding shall satisfy the payer's obligation to make the original payment to the payee.

29.4 **FATCA withholding**

(a) Condition 29.2 does not apply to any FATCA Deduction.

(b) Each party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and neither party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
(c) Each party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the other party.

29.5 **FATCA Information**

(a) Subject to paragraph (d) below, each party shall, within [ten] Business Days of a reasonable request by the other party:

(i) confirm to that other party whether it is:

   (A) a FATCA Exempt Party; or

   (B) not a FATCA Exempt Party;

(ii) supply to that other party such forms, documentation and other information relating to its status under FATCA as that other party reasonably requests for the purposes of that other party's compliance with FATCA; and

(iii) supply to that other party such forms, documentation and other information relating to its status as that other party reasonably requests for the purposes of that other party's compliance with any other law, regulation, or exchange of information regime.

(b) Subject to paragraph (d) below, the Seller shall use its reasonable endeavours to obtain, and provide to the Buyer, such forms, documentation and other information relating to an Obligor's status under FATCA as the Buyer reasonably requests.

(c) If a party confirms to the other party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it will not (or is not), or will cease (or has ceased) to be, a FATCA Exempt Party, that party shall notify that other party reasonably promptly.

(d) Paragraphs (a) and (b) above shall not oblige a party to do anything which would or might in its reasonable opinion constitute a breach of:

(i) any law or regulation;

(ii) any fiduciary duty;

(iii) any duty of confidentiality; or

(iv) the Credit Documentation.

(e) If a party fails to confirm whether it is (and/or remains) a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a) (i) or (ii) above, (including, for the avoidance of doubt, where paragraph (d) above applies), then such party shall be treated for the purposes of the transaction as if it is not a FATCA Exempt Party.
30. **ASSIGNMENT**

30.1 **Restriction on assignment**
Subject to Condition 30.2 (Assignment of Early Termination Payment Amounts), neither the Seller nor the Buyer may assign the benefit of all or any part of its rights against the other party pursuant to the Agreed Terms or the Transaction Documentation in respect of the transaction without the prior written consent of the other (such consent not to be unreasonably withheld or delayed).

30.2 **Assignment of Early Termination Payment Amounts**
A Non-Insolvent Party may assign the benefit of all or any part of its rights in respect of its interest in any Early Termination Payment Amount payable to it by an Insolvent Party together with any amounts payable on or with respect to that interest and any other rights associated with that interest.

31. **THIRD PARTY RIGHTS**

(a) Subject to this Condition 31 and to paragraphs (v) and (vi) of paragraph (e) of Condition 23.3 (Buy-in/Sell-out), a person who is not a party to the Agreed Terms or other Transaction Document has no rights under the Contracts (Rights of Third Parties) Act 1999 (the "Third Parties Act") to enforce or to enjoy the benefit of any term of the Agreed Terms or other Transaction Document.

(b) Each Specified Person may enforce the terms of paragraphs (v) and (vi) of paragraph (e) of Condition 23.3 (Buy-in/Sell-out) subject to and in accordance with this Condition 31, Condition 33 (Governing Law and Jurisdiction) and the provisions of the Third Parties Act.

(c) The Buyer and the Seller must obtain the written consent of each Specified Person before they may rescind the Agreed Terms or before they may vary the Agreed Terms in such a manner as to extinguish the rights of each Specified Person under this Condition 31 to enforce the terms of sub-paragraphs (v) or (vi) of paragraph (e) of Condition 23.3 (Buy-in/Sell-out) or alter its entitlement under those rights.

32. **NOTICES**

32.1 **Communications in writing**
Any communication to be made under or in connection with the Agreed Terms shall be made in writing and, unless otherwise stated, may be made by fax or letter.

32.2 **Addresses**
The address and fax number (and the department or officer, if any, for whose attention the communication is to be made) of the Seller and the Buyer for any communication or document to be made or delivered under or in connection with the Agreed Terms is that identified by the Seller and the Buyer in the Agreed Terms or any substitute address or fax number or department or officer as the Seller or the Buyer may notify to the other by not less than five Business Days' notice.
32.3 Delivery
(a) Any communication or document made or delivered by one person to another under or in connection with the Agreed Terms will only be effective:

(i) if by way of fax, when received in legible form; or

(ii) if by way of letter, when it has been left at the relevant address or five Business Days after being deposited in the post postage prepaid in an envelope addressed to it at that address;

and, if a particular department or officer is specified as part of its address details provided under Condition 32.2 (Addresses), if addressed to that department or officer.

(b) Any communication or document which becomes effective, in accordance with paragraph (a) above, after 5.00pm in the place of receipt shall be deemed only to become effective on the following day.

32.4 Electronic communication
(a) Any communication to be made between the Seller and the Buyer under or in connection with the Agreed Terms may be made by electronic mail or other electronic means (including, without limitation, by way of posting to a secure website), if the Seller and the Buyer:

(i) notify each other in writing of their electronic mail address and/or any other information required to enable the transmission of information by that means; and

(ii) notify each other of any change to their address or any other such information supplied by them by not less than five Business Days' notice.

(b) Any such electronic communication as specified in paragraph (a) above to be made between the Seller and the Buyer may only be made in that way to the extent that the parties agree that, unless and until notified to the contrary, this is to be an accepted form of communication.

(c) Any such electronic communication as specified in (a) above made between the Seller and the Buyer will be effective only when actually received (or made available) in readable form.

(d) Any electronic communication which becomes effective, in accordance with paragraph (c) above, after 5.00p.m. in the place in which the party to whom the relevant communication is sent or made available has its address for the purpose of the Agreed Terms shall be deemed only to become effective on the following day.

(e) Any reference in the Agreed Terms to a communication being sent or received shall be construed to include that communication is being made available in accordance with this Condition 32.4 (Electronic communication).
32.5 **English language**
Any notice given pursuant to or in connection with the Agreed Terms must be in English.

32.6 **Exclusions**
The requirements of Condition 32.2 (Addresses) to Condition 32.4 (Electronic communication) shall not apply to any notification referred to in paragraph (c) of Condition 3 (Termination) which is given before the Trade Date.

33. **GOVERNING LAW AND JURISDICTION**

33.1 **Governing law**
The transaction, the Agreed Terms, these Conditions and any non-contractual obligations arising out of or in connection with any of them are governed by English law.

33.2 **Jurisdiction**
(a) The courts of England have non-exclusive jurisdiction to settle any dispute arising out of or in connection with the transaction, the Agreed Terms and these Conditions (including a dispute relating to the existence, validity or termination of the transaction, the Agreed Terms and these Conditions or any non-contractual obligation arising out of or in connection with the transaction, the Agreed Terms and these Conditions) (a "Dispute").

(b) The Seller and the Buyer agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly neither the Seller nor the Buyer will argue to the contrary.

33.3 **Service of process**
Without prejudice to any other method of service allowed under any relevant law, the Seller and the Buyer each irrevocably appoints the person described as its process agent (if any) in the Agreed Terms to receive on its behalf service of any action, suit or other proceedings before the English courts in connection with the transaction, the Agreed Terms, these Conditions, or the Transaction Documentation. If any person appointed as process agent ceases to act for any reason the appointing party shall notify the other party and shall promptly appoint another person incorporated within England and Wales to act as its process agent.

34. **COUNTERPARTS**

34.1 **Counterparts**
(a) Any Confirmation, Confidentiality Agreement or other Transaction Document may be executed in any number of counterparts and this has the same effect as if the signatures on the counterparts were on a single copy of the Confirmation, Confidentiality Agreement or other Transaction Document.

(b) After delivery by fax, electronic mail or other electronic means of a copy counterpart of the Transaction Documents, the Buyer and the Seller shall, upon the request of either party, promptly deliver to each other an original counterpart of the Transaction Documents (and the Confirmation,
Confidentiality Agreement or any other document), provided that such request is made within five Business Days of the Settlement Date.

35. **ELECTRONIC SIGNATURES**

Any Confirmation, Confidentiality Agreement or other Transaction Document may be signed by electronic signature (as defined in the Electronic Communications Act 2000) and such Confirmation, Confidentiality Agreement or other Transaction Document shall have the same legal effect, validity and enforceability as if signed by handwritten signature to the extent and as provided for in any applicable law (including the Electronic Communications Act 2000).
